### Top Tips

- These challenges are designed to focus the pupil's mind on achieving at least one good stroke in 5 attempts.
- It is important that every pupil succeeds and passes with at least a Merit.
- Help can be given in the quiz by reading out the questions and possible answers.
- The coach can adjust the distances according to the age and ability of the group.
- Give the pupils plenty of chance to practice to the target to give them confidence that they can achieve the task.
